

FREEMAN-FRITTS VET CLINIC AND SHELTER

JANUARY 2023 NEWSLETTER

Happy New Year, from our family to yours!

Winter Pet Care Tips

-  **FEED WELL.** Give your pet plenty of food and water, because keeping warm outdoors takes energy.
-  **CHECK PAWS.** Wipe with a damp towel to remove salt, and check for ice accumulation and damage.
-  **PROVIDE ADEQUATE SHELTER.** If your pet must be outside much of the day, they need a dry, draft-free shelter.
-  **DISCOURAGE HITCHHIKERS.** Bang on the hood or honk the horn to ward off cats or wildlife attracted to a warm engine.
-  **PREVENT POISONING.** Ethylene glycol antifreeze is deadly, but has a sweet taste. Wipe up spills to protect animals and children.

CAT OF THE MONTH

Venus

Venus is an absolute doll! She will instantly work her sweetness on you the minute she sees you!

Venus is a 5-year-old tabby and white gorgeous gal! She is so sweet, adorable, happy, and easygoing. Venus would do best in a home with older children, as she prefers a more relaxed life. She would also love to have her very own perch in front of a window to do her daily bird-watching. Most of all she would love her very own human to enjoy day-to-day life with.

DOG OF THE MONTH

JUNIPER

Meet Juniper!

Juniper is a beautiful Chihuahua mix, about 3 years old, and weighs just 9 lbs.

This girl was a yard dog, never shown the love she deserves or how to trust people. She has a sweet, timid spirit and is opening up to people. She is more confident with another dog in her life, so would do best in a home with an outgoing pup to show her the ropes!

Juniper deserves forever love and a forever home!

SPONSOR OF THE MONTH

Meet Sasha!

Sasha is a reserved and contemplative personality as shown in her portrait. We find her most graceful and elegant, but unfortunately, she rarely likes to be touched by people she's known, and strangers she flees from. She's content with her home here at Freeman Fritts as she gets her morning strolls inside the kitty shelter and playtime with her kitty friends too!

Because Sasha has become a permanent resident, she's now in need of a sponsor. With sponsorship, you become her virtual owner, her sponsor mom or dad. You will get monthly updates on her welfare and activities and may come to visit her in the shelter.
