

FREEMAN-FRITTS VET CLINIC AND SHELTER

FEBRUARY 2023 NEWSLETTER

Happy Valentine's Day!

Need a little love in your life? If you are looking for an excuse to shower yourself and your family with unconditional love, look no further! We have so many wonderful animals waiting for their furrever family! They would love to meet you!

Not ready to adopt? We understand that not everyone has the room or time to adopt a new family member, or maybe the timing is not right. Remember, gift giving is wonderful, but not a great idea to give the gift of a lifetime commitment without the consent of the recipient!

If now is not the time, there are so many other ways to fill your month with special love, while giving our animals the loving boost they need. Consider volunteering at the shelter for lots of pets and walks, and maybe even some sloppy kisses. Or, a financial donation is always a great way to show our rescue community some love. Whatever is right for you, is right for our babies!

kitties love you!

SPONSOR OF THE MONTH

Meet Larry! Larry was caught in a trap at the state hospital as a kitten, and he is now 8 years old and an absolute favorite of the kitty staff at the shelter. In addition, he is a favorite of the shelter kitties themselves, getting along with them all. Larry wins the Best Personality Contest, hands down!

Larry's fabulous glowing eyes draw you right to him, and it is hard to keep your hands off his amazingly soft grey and white coat. However, Larry has now become a permanent resident, and change does not come easy, so he may not be able to adapt to just any home. In the meantime, he would love to have his very own sponsor to help take care of his yearly exams and everyday care. He would also like visits!

Find the joy in virtually adopting this kitty that has little chance of finding his forever home outside of the shelter. Interested in sponsoring: <https://www.freemanfritts.com/sponsor>
