Sponsor of the Month-Thea

Sometimes love requires you to earn someone's trust first. Getting to know Thea is one of those times. Thea is now five years old. She was an adorable kitten and truly is a gorgeous lady. Having lived with her at Freeman Fritts, we now know that she could not handle the stress of a new home with new people. She is just too unsure.

Find the joy in virtually adopting this kitty with little chance of finding her forever home outside the shelter. Sponsoring is a win-win. You get a virtual pet to love, and we get the financial help we need for some of her care. You are welcome to visit and get to know you Thea, too!
